

## ***Trap and Skeet Leagues at Colorado Clays***

League shooting is a great way to get together and spend an evening at the shooting range with friends and acquaintances. Trap leagues are also an excellent opportunity to further refine and hone your shooting skills, participate in some informal competition, and joust with fellow shooters in a friendly rivalry. And the camaraderie - what a great way to unwind after a tough day at the office or on the job. Colorado Clays currently runs two trap and skeet leagues during the course of the year.

### ***Trap League***

Trap league teams consist of 5 shooters. Each team is pre-assigned a time slot (beginning at 4:30 pm and ending at 7:30 pm) to shoot every Wednesday for 12 weeks. Team members each shoot 50 targets (2 rounds) each week. The first round is shot from the 16 yard line and the second round yardage is determined by the team's handicap, minimum 20 yard line. The Registration Fee is \$50 per team and \$18 per shooter each week. Each team is allowed 2 substitutes and there must be 3 shooters present in order for scores to count. Returning teams are guaranteed their previous time slot. New teams will be asked to provide their first and second time slot choices.

### ***Skeet League***

Skeet league teams consist of 5 shooters. Each team is pre-assigned a time slot (beginning at 4:30 pm and ending at 7:30 pm) to shoot every Thursday for 12 weeks. Teams will shoot 50 targets (two rounds) for team average the first week and 50 targets each week thereafter for a total of twelve weeks. The Registration Fee is \$50.00 per team and \$18.00 per shooter each week.
