

March 25, 2020

Dear Valued Guests and Friends,

We recognize that the COVID-19 virus has forced all of us to be extremely mindful of our decisions and activities.

Effective March 26th, 2020 we will be closing temporarily due to the Tri-County Health Department "Stay At Home" Public Health Order dated March 24, 2020.

We look forward to resuming regular shooting activities as soon as possible.

We appreciate you all, hope you stay healthy, and look forward to seeing you soon.

Sincerely,
